VISA® BUSINESS CHECK CARD

More control over expenses than cash

Whether you're purchasing everyday office supplies, shopping for equipment through catalogs, or dining with clients, your card is welcome anywhere Visa® is accepted worldwide.

MORE CONTROL

Using this card will simplify bookkeeping and eliminate the need for you and your employees to use credit cards or cash. Your monthly bank statement displays all Sterling Bank business card account activity, giving you more control over expenses than cash, and eliminates check writing and handling errors. What's more, you can order cards for up to 10 authorized signers on the account.

1. You set the purchase and withdrawal limits
2. You choose the standard daily spending limit or a lower amount for each card

OTHER BENEFITS

1. Purchase Security/Extended Protection
Covers most purchases against loss, theft, fire, and many types of damage for 90 days
2. Liability Waiver
Protects against losses associated with Visa card misuse
3. Travel Assistance
4. Emergency Cash Disbursement

By the signature of the Authorized Officer below, the Company requests that Sterling Bank Business Check Card(s) be issued to the Company, and authorizes Sterling Bank to review checking account and bank relationships relating to the Company and all signers designated herein, which the Bank may use to decide at its discretion whether to issue cards. If issued, the Company agrees that cards and separately mailed Personal Identification Numbers (PINs) will be mailed to the business address on record with the Bank, that each card is subject to the terms of the Business Check Card Cardholder Agreement and Disclosure mailed with the card(s), that card use constitutes acceptance of those terms and that the Company is responsible for any loss resulting from a failure to safeguard cards and/or PINs (except for unauthorized transactions that do not require use of your PIN provided the Company meets the conditions in the Agreement mailed with the card for Visa's Zero Liability and Provisional Credit Policy to apply). Terms include, but are not limited to, the Company's obligation to notify the Bank promptly when a card has been lost, stolen, or compromised, or when an individual to whom a card was issued is no longer authorized to use it.
